Others Present:

Averi Varney, Greg Piduch – Hancock Co. Planning Commission

Jon Allen, Don Bradford, Windsor Bowden – Planning Committee

Allen Kratz (via Zoom call), Bailey Bowden

Business:

Meeting commenced @ 6:30 PM. Averi and Greg presented what HCPC can offer in terms of the town's compliance with LD 2003 Housing Opportunity rules.

Allen reported that the Blue Hill Heritage Trust has agreed to fund him to continue providing service to the town for four months, from December 1st thru March 31st. Board agreed to have Allen move forward on the Community Action Grant and the Infrastructure Administration Fund. The IAF has a local match minimum requirement of 5%.

There is a meet & greet event with Grace the new owners of the former PERC plant, at Jeff's Catering in Brewer this Thursday at 9 AM. The existing plant will be converted to a new technology called 'recycling solutions technology'. The RST creates a recycling method that eliminates front-end processing and separation. The materials go through a process that takes all the organics and converts them into gas that is used to make electricity.

Bailey reports that the sand/salt pile permit application is now complete.

Reviewed and approved Warrant #27 in the amount of \$103,774.27.

Meeting adjourned at 9:50 PM.
